Dear RD Fetalvero:

Greetings.

The DACS Research Committee has presented today Chapters 1 and 2 of the proposed tracer studies on the employability of SHS graduates in Davao Region, before a panel of representatives from DepEd Policy Planning and Research Division (PPRD) and from the Division offices. Thank you for your encouraging message of support.

From the feedbacks and questions generated from our presentation, our team will review the research proposal to integrate recommendations to enhance the design and methodology.

Relative to this, we wish to reiterate our request for a listing of Senior High School graduates from SY 2017-2018, SY 2018-2019 and SY 2019-2020, including, if possible, the information about the SHS track that they have completed. Cognizant of the guidelines of the Data Privacy Act, we also wish to know if we could obtain the email addresses or contact numbers of the said SHS graduates who will be selected as respondents to our online survey.

We acknowledge receipt of complete and updated list of all public and private senior high schools which was very helpful in the sampling of schools.

We have high expectations for the success of this research project in partnership with your department.

Thank you for your kind attention. Our best regards.

Very truly yours,

JIMMIE-LOE P. DELA VEGA
Project Leader
