Remarks:

Dear SDS Fadul,

The 18th edition of **Safer Internet Day**, will be celebrated on **Tuesday, 9 February 2021** with the theme of **"Together for a better internet"**. This day calls upon all stakeholders to join the campaign in making the internet a safer and better place for all, and especially for children and young people.

Save the Children Philippines through its new project in Mindanao—The Protect Children PH, would like to invite you to join us in the observance of Safer Internet Day in Davao City, Tagum City and General Santos City. This celebration aims to reach more individuals from all ages to play a role in creating and maintaining a better online world. We believe that the Safer Internet Day aligns to the vision we uphold that children of all ages and gender in target communities in the Philippines are protected from online sexual exploitation.

In this regard, we would like to invite selected Supreme Student Government (SSG) officers to this activity. Our team has been partnering with Apokon and Brgy. La Filipina in Tagum City, and thus we can prioritize SSG officers coming from these areas. We have invited resource persons who will discuss about the Safer Internet Day Legal Proclamation, and the Importance of Internet and its Risk to Children especially in this time of Covid19 Pandemic. It would also be great if you do have teachers who can be part of this forum, and know that we're also counting on with the teacher's expertise specially teachers trained on DEPED's Cybersecurity Modules. May we also request a Memo to facilitate this event further?

We are opening 30 slots for the student leaders who can join the SID Online Forum, from **8AM-12N on February 11**. The Save the Children-PCPH Project Team will provide load allowance to all registered student leaders to the online forum, and a zoom link will also be created for the meeting room. Consent forms will also be sent. We will be requiring a completed Consent Forms from the parents of these children. If you have additional questions, please contact us through KC Lyn Razon, Community Development Officer at 09053465279 or at KC.Razon@savethechildren.org.

We are hoping for your favorable response on this matter. Thank you and we look forward to continue working with you in preventing Online Sexual Abuse and Exploitation of Children (OSAEC) and to making the internet a safer place for children.

Respectfully yours,

ABIGAIL CAINGLET

Project Coordinator, PROTECT CHILDREN PH
